Ministry of Health
and Family Welfare

Launched in 2009 by the **Ministry of Health & Family Welfare** 'eSanjeevani' is a **web-based comprehensive telemedicine solution**. It aims to provide healthcare services to patients in their homes.

eSanjeevani

Besides enhancing the quality of medical services, addressing issues about uneven distribution and shortage of infrastructural as well as human resources, eSanjeevani also aims to make healthcare services equitable by **bridging the digital divide** that exists between the urban vs. rural, rich vs. poor etc.

eSanjeevani can also be used to provide **medical education** to interns, people across Various Common Service Centers (CSCs), etc.

The portal was designed & developed by the **Centre for Development of Advanced Computing (C-DAC)**, a premier R&D organization of the Ministry of Electronics and Information Technology (MeitY).

Services provided

eSanjeevani platform has enabled two types of telemedicine services viz.

- Doctor-to-Doctor (eSanjeevani) and
- Patient-to-Doctor (eSanjeevani OPD) Tele-consultations.

eSanjeevani

It is being implemented under the **Ayushman Bharat Health and Wellness Centre (AB-HWC)**. It aims to implement Doctor-to-Doctor teleconsultation in all the 1.5 lakh Health and Wellness Centres in conjunction with identified Medical College hospitals in a 'Hub and Spoke' model.

States have identified and set up dedicated 'Hubs' in Medical Colleges and District hospitals to provide teleconsultation services to 'Spokes', i.e SHCs, PHCs and HWCs.

eSanjeevani OPD

Owing to the ongoing COVID-19 pandemic, the Health Ministry launched the second tele-consultation service enabling patient-to-doctor telemedicine through 'eSanjeevaniOPD'.

eSanjeevaniOPD
STAY HOME OPD

This service is available as an Android mobile application as well. This has made it convenient for the people to avail of the health services without having to travel.

This e-health service is offered free of cost and has proved a boon in containing the spread of COVID while simultaneously enabling provisions for non-COVID essential healthcare.

Free of Cost

Why in the news?

6 Lakhs
