The portal would lead to the creation of a **national database of unorganised workers.**

Apart from being **Aadhaar-linked, it will collect details of the name, occupation, address, educational qualification, skill types and family of the registered workers.**
.

NIC National Informatics Centre

It was developed by the Ministry of Labour & Employment, in technical collaboration with the **National Informatics Centre** (an attached office under the Ministry of Electronics and Information Technology).

The portal is open to workers engaged in the **unorganised sector** and **aged between 16 and 59.**
